MEMORANDUM OF UNDERSTANDING

Between

(BharatCares) having its corporate office at - Swati Trinity, Applewood Township, A-404, Shela, Sarkhej-Okaf, Gujarat, 380058. (Hereinafter referred to as BharatCares which expression unless repugnant to the context thereof shall mean and include their heirs, executors, administrators, and permitted assigns)as the FIRST PARTY.

And

Nehru Gram Bharati (Deemed to be University), Prayagraj

PREAMBLE

This Memorandum of Understanding ("MoU") is entered into with effect from 1st September 2026, between BharatCares by SMEC Trust (CSRBOX Foundation), the implementing partner for the Xiaomi Edge NextGen Scholar Program, a CSR initiative supported by Xiaomi India, having its corporate office at Swati Trinity, Applewood Township, A-404, Shela, Sarkhej-Okaf, Gujarat – 380058 (hereinafter referred to as "BharatCares"), and Nehru Gram Bharati (Deemed to be University), Prayagraj (hereinafter referred to as the "Institution"). BharatCares and the Institution are hereinafter collectively referred to as the "Parties".

The Parties express their mutual intent to collaborate on initiatives aimed at training and empowering students with Future-Ready Skills, including Artificial Intelligence (AI) and Cybersecurity, through a learning ecosystem that combines academic learning with industry-oriented exposure and enables students to develop relevant technical and professional competencies.

RECITALS

BharatCares by SMEC Trust is a social impact organization committed to bridging the gap between education and employability by designing and implementing innovative programs that equip youth with industry-relevant and future-ready skills essential for the evolving digital economy.

The Institution seeks to provide students with opportunities for practical learning, exposure to emerging technologies, and employability enhancement, in alignment with the objectives of the National Education Policy 2020 and national skilling frameworks.

OBJECTIVES OF COLLABORATION

• To facilitate the implementation of the Xiaomi Edge NextGen Scholar Program and related Future-Ready Skills initiatives for eligible students.

• To provide learning opportunities in areas such as Artificial Intelligence (AI) and Cybersecurity through online learning modules, expert-led masterclasses, mentorship sessions, and other suitable learning engagements.

• To encourage hands-on, project-based learning, innovation challenges, creativity, and problem-solving.

(Deemed to be Univ
Prayagraj-221505

17/11/2026

• To support skilling outcomes aligned with the broader objectives of NEP 2020 and the development of a future-ready workforce.

AREAS OF COLLABORATION

The Parties agree to collaborate for the implementation of the Xiaomi Edge NextGen Scholar Program at the Institution, including student outreach and mobilization, structured learning modules, on-campus and/or virtual workshops, expert sessions, masterclasses, mentorship sessions, hands-on and project-based learning, and related student engagement activities. The specific schedule, modalities, participation requirements, and operational arrangements shall be mutually coordinated by the Parties. In addition, subject to mutual discussions and the availability of suitable opportunities, the Parties may collaborate on activities including, but not limited to:

• Structured learning modules and student learning pathways in Future-Ready Skills.

• On-campus and virtual workshops, expert sessions, masterclasses, mentorship sessions, and innovation challenges.

• Student outreach, mobilization, and awareness activities related to relevant programs.

• Hands-on and project-based learning opportunities.

• Sharing of appropriate participation, engagement, learning, and impact insights for program monitoring and improvement.

UNDERSTANDING OF THE PARTIES

BharatCares may, based on mutual discussion and program requirements:

• Facilitate structured learning modules and program activities in relevant Future-Ready Skills areas.

• Organize suitable on-campus and/or virtual learning engagements.

• Provide access to relevant digital learning resources, mentorship opportunities, and certificates where applicable and subject to the applicable program requirements.

• Share appropriate program updates with the Institution.

The Institution may, based on mutual discussion and institutional feasibility:

• Support student outreach and mobilization for mutually identified programs or activities.

• Nominate a Single Point of Contact (SPOC) for coordination, where required.

• Facilitate reasonable institutional coordination for agreed activities.

• Encourage student participation and engagement in relevant activities.

OPEN AND NON-EXCLUSIVE COLLABORATION

This MoU records the Parties' agreement to collaborate on the implementation of the Xiaomi Edge NextGen Scholar Program and related activities described in this MoU. Specific activities, timelines, participation requirements, modalities, or other operational details may be mutually discussed and determined separately from time to time. The Parties shall use reasonable efforts to support and facilitate the agreed activities under this MoU in accordance with their respective roles and institutional processes. Nothing in this MoU shall be construed as creating a financial obligation or requiring either Party to incur expenditure unless separately agreed in writing.

NON-FINANCIAL AND NON-BINDING NATURE

This MoU is non-financial in nature. It shall remain effective from 1st September 2026 until 31st March 2028. It does not create any monetary obligation, payment obligation, funding commitment, procurement commitment, or financial liability for either Party. This MoU records the mutual intent of the Parties to explore and facilitate collaboration and is not intended to create legally enforceable obligations, liabilities, or commitments between the Parties. Any specific arrangement requiring binding commitments, financial terms, or other enforceable obligations, if considered in the future, shall be subject to a separate written agreement mutually agreed upon by the Parties.

CONFIDENTIALITY AND DATA

The Parties may, as appropriate, treat learner-related information and program information shared for the purposes of collaboration with reasonable care and use such information only for the relevant program or collaboration purposes. Any specific data-sharing or confidentiality requirements, where necessary, may be mutually agreed separately.

COMMUNICATION AND OUTREACH

Subject to applicable institutional processes and mutual coordination, the Institution may facilitate reasonable communication with eligible students regarding relevant activities. Any photographs, testimonials, impact stories, or communication material connected with specific activities may be undertaken in accordance with applicable institutional processes and mutually agreed practices.

DURATION AND REVIEW

This MoU shall take effect from 1st September 2026 and shall remain valid until 31st March 2028. Either Party may discontinue this MoU before the end date by providing 30 (thirty) days' prior written notice to the other Party.

GENERAL UNDERSTANDING

This MoU does not create a partnership, joint venture, agency, employment relationship, or exclusive arrangement between the Parties. Each Party shall remain independent in its respective operations and decision-making.

IN WITNESS WHEREOF

The Parties acknowledge their mutual understanding and intent to collaborate and have signed this Memorandum of Understanding on the date indicated below.
