ABOUT THE UNIVERSITY

Nehru Gram Bharati (Deemed to be University) occupies an esteemed place among the rural Universities of India for over decades now. Established on 27th June 2008, it is one of the promising institutes in the State of Uttar Pradesh situated at the bank of river Ganges. As on date, the University has emerged as prominent establishment of professional, technical education and traditional education for meeting the aspirations of youth from rural as well as urban areas. The MHRD notified vide its gazette Notification no. F.9-42/2005-43(A) dated as 27th June 2008 bestowing the Deemed to be University status to Nehru Gram Bharati. The Nehru Gram Bharati (Deemed to be University) is composed of six campuses encircling approximately 76 acres of land spread over within a radius of about 5 Kilometre.

ABOUT THE PROGRAMME

A programme on academic writing in research is typically designed to help researchers, scholars as well as academicians improve their writing skills for scholarly publications, such as journal, articles, thesis, dissertations, research papers and conference papers. The goal is to teach participants how to effectively communicate their research findings in a clear, concise and academically appropriate manner. Here are key components usually covered in such programmes like understanding the purpose and structure of academic writing; differentiating between general writing and research based academic writing; adhering to academic standards and formal tone; structure of research papers will be discuss on the basis of IMRAD (Introduction, Methods, Results and Discussion); title, abstract and keywords selection; effective writing of each section i.e. crafting a compelling introduction, presenting data clearly and discussing implications; how to conduct and write a comprehensive literature review; synthesizing sources, identifying research gaps and framing study within existing literature; using proper citation styles (APA, MLA and Chicago, etc.); avoiding plagiarism and understanding the importance of giving credit; developing a strong thesis or research questions; building logical evidence based arguments; engaging critically with sources and showing how your research contributes to the field; enhancing cohesion and coherence in writing; how to select appropriate research journal for submission; and ethical considerations in academic writing, including authorship, intellectual property and transparency.

SUB THEME OF THE WORKSHOP

- *Research Paper Writing*
- *Synopsis construction*
- *Thesis/Dissertation Writing/Research Report Writing*
- *Referencing Style, Citation*
- *Chapter in Book/Article/Book Review*
- *Research Ethics & Plagiarism*

EXPECTED OUTCOMES OF THE PROGRAMME

- *Participants will gain a clear understanding of the structure and conventions of academic writing, including the use of a formal language, appropriate tone, and clarity of argumentation within educational research.*
- *The workshop will equip participants with tools to conduct comprehensive literature reviews, critically analyze educational studies and synthesize findings to strengthen their own research.*
- *Participants will be better equipped to design robust educational research studies, with a clear understanding of how to frame research questions, choose appropriate methodologies and address ethical considerations.*
- *Participants will learn strategies for drafting, revising and submitting academic papers for journals, with insights on how to handle peer review feedback and increase publication success.*
- *The workshop will enhance participants' ability to properly use citation style such as APA, ensuring accuracy in referencing educational research sources and avoiding plagiarism.*
- *Participants will be able to write more effectively, ensuring clarity and coherence, particularly in structuring arguments, presenting data and drawing conclusions within educational research.*
- *Participants will engage in peer review exercise, gaining valuable skills in providing and receiving constructive feedback on academic writing in educational research.*

SCHEDULE OF THE PROGRAMME

- The workshop will be a three days programme, with two sessions of 1:30 hours each based on the academic writing with special reference to educational research starting from November 21, 2024.
