ABOUT THE NGB (DU)

Late Pt. Jawahar Lal Nehru laying the foundation stone of Nehru Gram Bharati on 26th July, 1962

Emerging as the first rural university in the state of Uttar Pradesh, Nehru Gram Bharati (Deemed to be University) is one of the few higher education institutions in India located in rural area. The Union Ministry of Education (formerly the Ministry of Human Resource Development) recognized it as a "Deemed to be University" in accordance with section 3 of the UGC Act, 1956, as stated in Notification No. F.9-42/2005-43(A), dated June 27, 2008 & No. 12-25/2023-U.3(A) dated 24th November, 2023.

Nehru thought that the development of the hinterland depended particularly on the role that education and social participation played.

Pandit Nehru's dream of having institutions of higher learning in the villages, particularly for rural population was transformed into reality in 2008 by Sri J.N. Misra, a former bureaucrat turned social thinker and philanthropist. It was Sri J.N. Misra's unflinching belief in the ideals of Gandhi and Nehru and his vision and dedication for uplifting the rural masses through quality higher education, that led to the establishment of Nehru Gram Bharati (Deemed to be University), Prayagraj in 2008.

NGB (DU) is located in co-existence with natural environment. As NGB (DU) has already started to amend its program curriculum and make them NEP-2020 compliant from academic session 2023-24. For this, It aims to strengthen the ecosystem that fosters entrepreneurship and research by emphasizing on collaborations and Industry linkages and updating of lab facilities for equipping our students with entrepreneurial education, training and imparting necessary skills at the workplace facilitating connections with mentors, investors, and peers for supporting new startups by empowering individuals to innovate and pursue their business ideas for generating more employment.

The University is committed towards improving ratio of the poor meritorious and female category students. Our attempt aims at preparing the students for their holistic personality development through inculcating leadership quality, responsibility and sense of devotion to the society and the country.

"Vision & Mission"

The University believes in the words of Nehru Ji that " University stands for humanism, tolerance, reason, the adventure of ideas and for the search of truth."

"Vision"

We aim to nurture and promote youth especially from rural area by providing high quality education and training in keeping with the promise of Late Pt. Jawahar Lal Nehru. Our dream is to build a role model Institution with state of art infrastructure providing right ambience for creativity and stimulation in thinking to generate new ideas for research and application of skill for developing technology for welfare of mankind.

"Mission"

Our mission is to empower the nation through preparation of competent and trained human resource. University has plans to enhance capability of young talents for fulfillment of their aspirations through innovation, skill development and proper training. We endeavor to enhance employability through training and spirit of competitiveness. We emphasize inculcating initiative for entrepreneurship generating self-employment and national wealth.

We foster equitable and universal access to higher education and our aim is to inculcate skills, values and dispositions that support responsible commitment to human rights and sustainable development.

About the Founder

Mr. J. N. Misra was born on Oct. 1st 1938 in Allahabad (Now Prayagraj) the land of Hindu Mysticism and philosophy and the world famous 'Kumbh Mela'. Hailing from a remote rural village, he was raised in an environment boastful of immense political upheaval and social transformation. India being enslaved for more than two hundred years under the British colonial regime, had finally found her freedom. But the world largest democracy found its freedom crippled and to met with many challenges. And hence the nation building process had started and to further accelerate this process there was an aggressive drive to create an awareness and enforce the importance of education among the people especially the rural youth.

It was this political renaissance which fashioned the thought process, a young boy who found his icon in the magnetism of its leaders especially Mahatma Gandhi & Jawahar Lal Nehru. A stand from a very austere start and meager resources, he imparted himself with the finest of knowledge and learning while working to make ends meet to not only support his family but also to fulfill his dreams of doing exceedingly well at his studies, and it was his constant perseverance and hard work which yielded him with fruitful results and from a small rural makeshift shift school with a thatched roof he went to a very Allahabad University, one of the most prestigious University and from there on there was no stopping for his aspirations.

He joined the very esteemed Indian Civil service at the State level in 1963 and further on was promoted and joined the Government of India at Central level in 1973 the Ministry of Shipping, Transport and Railways and it was during this period under the tutelage of late Mr. Kamla Pati Tripathi, a very famous social activist and philanthropist, he went on to achieve much excellence in the field of public service.

Nehru Gram Bharati (Deemed to be University) formed in 2008-09 after University Grants Commission recommended to the Ministry of Human Resource & Development (Now, Ministry of Education) for granting it Deemed to be University Status. The MHRD notified vide its gazette Notification no. F.9-42/2005-43(A) dated as 27th June 2008 bestowing the Deemed to be University status to Nehru Gram Bharati

The concept of Nehru Gram Bharati was basically conceived by our Ist Prime Minister of India, Late Pt. Jawahar Lal Nehru, who laid the foundation stone of Nehru Gram Bharati on 26th July 1962 in the village of Rishi Durvasha Ashram, Kotwa-Jamunipur, Dubawal Complex of his Phulpur constituency in Allahabad (Now Prayagraj) District.

From the Desk of Chancellor

Dear Students,

I am delighted to know that Nehru Gram Bharati (Deemed to be University) is coming out with the admission brochure for the academic session 2025-26.

INTERNSHIP CELL:

A prime aspect of the internship/research internship is induction into actual work situations. Internships includes working with government or private organizations, higher education institutions, universities, research and development labs/research organisations/non-government organisations, enterprises, centers involved in research, innovativeness and entrepreneurship, business organizations, local industry, artists, craftspeople, and similar other entities for providing opportunities to students for active engagement in on-site experiential learning.

To support NEP-2020 implementation effectively, NGB(DU) has established an Internship Cell with an aim for Facilitating Learning Opportunities & imparting skill at the workplace environment. The Internship Cell also aims to enhance students' skills and competencies, including technical skills, communication skills, problem-solving abilities, teamwork, and time management. Interns gain hands-on experience and learn from industry professionals, which prepares them for future careers.

NGB Internship Cell fosters collaboration with organization and Industry. This collaboration leads to knowledge exchange, research partnerships, curriculum alignment with industry needs, and mutual benefits for both parties. The Internship Cell encourages an environment conducive to innovation by engaging students in projects that require critical thinking, problem-solving, and creativity. The Internship Cell plays a role in nurturing this talent pipeline, maintaining relationships with interns, and providing opportunities for career growth.

विश्वविद्यालय कुलगीत

हे ज्ञान—गंगा स्थली सुहानी, तुम्हारी जय हो, तुम्हारी जय हो।

तेरी शरण में हैं हम अमानी, तुम्हारी जय हो, तुम्हारी जय हो॥

तू पूज्य बापू की कल्पना है, तू मिश्र जे.एन. की अल्पना है।

तू नेक नेहरू की है निशानी, तुम्हारी जय हो, तुम्हारी जय हो॥

जो मूक उनकी जुबान है तू, जो ना सुने उसके कान है तू।

तू ही कहे अनकही कहानी, तुम्हारी जय हो, तुम्हारी जय हो॥

कि गंगा—जमुना की धार है तू, कि माँ सरस्वती का प्यार है तू।

कि तू त्रिवेणी के तट का पानी, तुम्हारी जय हो, तुम्हारी जय हो॥

ये वेणी माधव ये आदि माधव, अनन्त माधव अनादि माधव।

ये ब्रह्मा के यज्ञ की निशानी, तुम्हारी जय हो, तुम्हारी जय हो॥

यहीं अक्षयवट के पत्र—पल्लव, कि जिस पै खेले मुकुन्द माधव।

महा प्रलय की यही कहानी, तुम्हारी जय हो, तुम्हारी जय हो॥

कि वारणावत् कि तू कथा है, कि पाँच पाण्डव की तू व्यथा है।

कि मातु कुन्ती की तू कहानी, तुम्हारी जय हो, तुम्हारी जय हो॥

मिले कुमारिल से आदि शंकर, ये मातु ऐन्द्री ये जैन ऋषिवर।

महर्षि दुर्वासा आत्म ज्ञानी, तुम्हारी जय हो, तुम्हारी जय हो॥

यहीं भारद्वाज ऋषि का आश्रम, जो सर्वविद्या का दे पराक्रम।

यहीं से निकलेंगे ब्रह्मज्ञानी, तुम्हारी जय हो, तुम्हारी जय हो॥

ये गौव के झोपड़ों की ललना, जो चल पड़ी छोड़ करके अँगना।

ये गार्गी—मैत्रेयी सयानी, तुम्हारी जय हो, तुम्हारी जय हो॥
