## **ABOUT**

### **THE COURSE:**

Research is a systematic and organized process of investigating, studying, and analysing data to gain new knowledge, insights, or solutions to specific questions or problems. It typically involves a structured approach that includes, formulating research problem, data collection, analysis, interpretation, and drawing conclusions, often with the aim of contributing to the existing body of knowledge in a particular field or discipline. A research methodology course in Social Science is essential for building the skills and knowledge required to conduct meaningful and rigorous research, contributing to the advancement of the field and preparing students for diverse career paths.

The course aims to impart skills that will enable young research scholars for nurturing their talent as future researchers. The present course would emphasize interactive sessions, analytical exercises, group discussions, sample collection, tools, techniques, research papers.

Course will be able to attempt the need to build capacity and develop the potential of researchers in social sciences to adopt an interactive, system- theoretic, unified approach in research. The subjects covered must thoroughly explore aspects of the social process which are interlinked, such as, the economic with the political; the political with the cultural; the cultural with the religious and the geographic with the economic and to take a holistic view of the social processes with its application to special empirical problems.

# THE MAIN OBJECTIVES OF THE COURSE ARE:

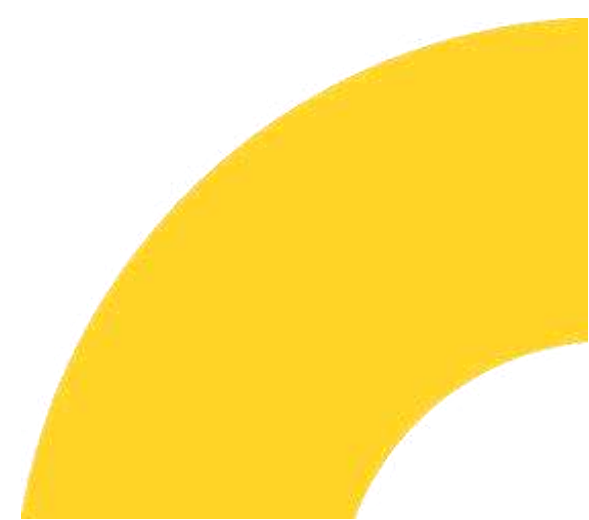

- To acclimate research students to philosophical approaches, such as historical– analytical, legal– institutional, descriptive–taxonomic, behavioural, interdisciplinary, decision–making, and so on.
- To develop skills in creating an adequate research plan, which involves conducting a literature review, generating research questions and hypotheses, gathering data, and analyzing it.
- To provide instruction on relevant research methodologies, which include scientific method, empirical method, comparative method, historical method, and deductive method.
- To develop capacity for conceptualizing and writing research proposals, synopsis, thesis, reports, etc.

# COURSE OUTLINE:

- Understanding Research Methodology Tools and Software
- Types of Research Research Proposal Development
- Critical Appraisal of Research Presentation and Communication
- Research Design Data Analysis
- Data Collection tools Practical Exercises
- Sampling Technique Case Studies

# REPORT

## RESEARCH METHODOLOGY COURSE

The five-day Research Methodology course, by the Department of Sociology of Nehru Gram Bharati (Deemed to be University), Prayagraj and the Indian Council of Social Science Research, was held from 20 November 2023 to 24 November 2023 in the auditorium of the Research Center located at Shashi Campus of Nehru Gram Bharati Deemed University Prayagraj.

This Research Methodology course was very useful for research students and post-doctoral students as well as faculty members.

The inaugural session of this Research Methodology course was presided over by Chancellor Shri JN, and Professor RN Tripathi, Professor, Department of Sociology, Banaras Hindu University and member of Uttar Pradesh Public Service Commission, was the chief guest. The special guests of the inaugural session were Professor Ramashankar Tripathi, former Head of the Department of Sociology, Mahatma Gandhi Kashi Vidyapeeth, and Professor Himanshu ShekharJha, Chairman of the Department of Sociology, Shri Shakuntala Mishra Rehabilitation University, Lucknow.

Chair person of this Research Methodology Workshop, Dean Academic Professor Rohit Ramesh of Nehru Gram Bharati University Prayagraj, Convener of Research Methodology course Dr. Santeshwar Kumar Mishra, Organizing Secretary Mr. Rajesh Kumar Tripathi, Coordinator Dr. Pooja Tiwari were present.

In the inaugural session of the Research Methodology course, the Chancellor of the University, Shri JN Mishra said that research is a major element of higher education. The solution to any problem can be found through research, and the utility of research holds an important place in human welfare. Renowned sociologist and member of Uttar Pradesh Public Service Commission, Prof. TN Tripathi said in his address that the immortality of a person depends on his good deeds. It is true that knowledge is not just for enhancing the beauty of libraries, the sources of ideas are the physical and cognitive organs. The inner intelligence of a person is a subject of research.

Vice Chancellor Professor Rohit Ramesh said that research in social sciences can work in improving the society. And while discussing the war between Russia and Ukraine, Professor Rohit Ramesh underlined the importance of social science and said that this is the right platform where researchers will get a chance to learn a lot in this five-day research methodology course.

Special guest Professor Himanshu Shekhar Jha inspired the researchers to choose such a topic in their research which is useful for the society. This needs to give a new dimension to research. Professor Ramashankar Tripathi, eminent sociologist and scholar of research methodology, in his address said that research is working as an important technique for human welfare, and he discussed various aspects of research in detail. Organizing Secretary Mr. Rajesh Kumar Tripathi discussed the outline of Research Methodology course in detail in the inaugural session and course convener Dr. Santeshwar Kumar Mishra welcomed the guests.

In the inaugural session, some young sociologists were honored by Chancellor Shri JN Mishra. These included Dr. Kishore Kumar of Magadh

University, Dr. Ravi Shankar Singh of Arrah University, Dr. Ashutosh Pandey of Purvanchal University, Dr. Shivangi Pandey of Government College, Dr. Sunil Kumar Kanojia, Dr. Brijesh Kumar Singh of YNB University, Ranchi. The inaugural session of the Research Methodology course was conducted by Mr. Rajesh Kumar Tripathi, Assistant Professor, Department of Sociology.

The vote of thanks in the inaugural session was given by the Registrar of the University, Shri RL Vishwakarma.

## First Technical Session

(20.11.2023)

In the first technical session of the Research Methodology course, Professor Ramashankar Tripathi, renowned sociologist and former departmental head of Mahatma Gandhi Kashi Vidyapeeth, discussed various points of Research Paradise. Professor Tripathi said that research paradise in social sciences has various dimensions and is changeable. Apart from this, Professor Tripathi discussed qualitative and quantitative research methodology and highlighted its various aspects. Shri Tripathi said that the usefulness of research is meaningful only when special emphasis is given on reflecting human values and social scientists should be motivated to do such research which is useful for human welfare.

The first technical session was conducted by Dr. Himanshu Shekhar Singh, Head of the Department of Hindi, Nehru Gram Bharati Deemed University, Prayagraj and the vote of thanks was given by Dr. Sabyasachi, Dean, Faculty of Arts.

## Second Technical Session

In the second technical session, Professor HimanshuShekharJha, Chairman of the Department of Sociology, Shri Shakuntala Mishra Rehabilitation University, Lucknow, elaborately shed light on the problem of objectivity in social sciences and discussed the subject matter and nature of social sciences. Professor Jha elaborately threw light on the design of descriptive, exploratory, diagnostic and experimental research.

The second technical session was conducted by Dr. Amrita Singh and the vote of thanks was given by Dr. Pankaj Yadav, Chairman of the Journalism Department.

**(First and Second Session chaired by Prof. Ramashankar Tripathi and Prof.HimanshuShekharJha on the topic 'Understanding Research Paradigm' and 'Nature and types of Social Sciences Research')**

### **Third Technical Session**

In the third technical session, Dr. Kishore Kumar of Magadh University elaborated on various aspects of research process and research design.

Dr. Kishore Kumar explained the various stages of identification of research problem and formulation of hypothesis and discussed in detail the null hypothesis. Dr. Kumar talked about the creation of different research designs based on different forms of research.

The third technical session was conducted by Dr. Mamta Mishra of Hindi Department and the vote of thanks was given by Dr. Virendra Mani Tripathi.

**(Lecture delivered in Third Session on the topic 'Research Process and Design' by Dr. Kishore Kumar, Gaya College, Gaya, Magadh University, Bodhgaya)**

**(Fourth Session chaired by Prof. B.C. Dubey,  
Dean, Faculty of Education)**

In the fifth session of Research Methodology course, eminent sociologist Professor D.S. Rajput of Central University Sagar, Madhya Pradesh discussed in detail various aspects of mixed method research.

Discussing mixed method research, Professor Rajput said that in the present time, it is relevant to use a mixed method of qualitative and quantitative research techniques in research. Along with this, he threw special light on triangulation in social research.

Through this, it will be especially helpful in providing an inter-disciplinary approach to research.

A solution to the problem of objectivity can also be found by using statistical data obtained from quantitative research in qualitative research.

In today's environment, mixed meshed research is being used as a relevant technique in social sciences to bring quality in research.

The fifth session was conducted by Dr. Pooja Tiwari of the Department of Sociology and vote of thanks was given by Mr. Sanjay Pandey.

**(Prof. Diwakar Singh Rajput from Central University, Sagar, Madhya Pradesh delivered a lecture on 'Mixed Method Research')**

## 6<sup>th</sup> session

In the sixth session of the Research Methodology course, Professor Brijesh Kumar Singh, Dean of the Faculty of Social Sciences, Mahatma Gandhi Varanasi, discussed experimental research methodology in detail.

In natural sciences, experimental research is very common because they have laboratory, where it is possible to observe and test. While its use is difficult in social sciences, despite this, by giving numerical value to the facts of ordinal scale, they can also be used in experimental method. Through which experimental research can be made useful in social sciences also.

This session was conducted by course convener Dr. Santeshwar Kumar Mishra and the vote of thanks was given by organizing Secretary Mr. Rajesh Kumar Tripathi.

**(Prof. Brijesh Kumar Singh, Dean, Social Science delivered lecture on 'Experimental Research Methods')**

# समस्या को हल कर मानव कल्याण में उपयोगी होना चाहिए रिसर्च

पाँच दिवसीय रिसर्च मेथाडोलॉजी कोर्स के उद्घाटन सत्र में विशेषज्ञों ने किया विचार-मंथन

दैनिक बालजी न्यूज

प्रयागराज-नेहरू ग्राम भारतीय मानित विश्वविद्यालय, प्रयागराज के समाजशास्त्र विभाग एवं आईसीएसएसआर नई दिल्ली के संयुक्त तत्वावधान में आयोजित पाँच दिवसीय रिसर्च मेथाडोलॉजी कोर्स के उद्घाटन सत्र में बोलते हुए विश्वविद्यालय के कुलाधिपति जे.एन. मिश्र ने कहा कि शोध उच्च शिक्षा का प्रमुख तत्व है, शोध द्वारा किसी भी समस्या का हल निकाला जा सकता है। मानव कल्याण में शोध की अत्यन्त उपयोगिता है। उत्तर प्रदेश लोक सेवा आयोग के सदस्य प्रोफेसर आर. एन. त्रिपाठी ने अपने उद्घोषण में कहा कि व्यक्ति की अमरता उसके सुकृत्यों से होती है। ज्ञान सिर्फ ग्रंथालयों की शोभा बढ़ाने के लिए नहीं है। विचारों की स्रोत कर्मदेवियां एवं ज्ञानदेवियां हैं। व्यक्ति की अंतःप्रज्ञा शोध का विषय है। कुलपति प्रोफेसर रोहित रमेश ने अपने उद्घोषण में कहा कि समाज विज्ञान में शोध समाज को और बेहतर बनाने में

कार्य कर सकता है। रूस-यूक्रेन के बीच युद्ध की चर्चा करते हुए प्रोफेसर रोहित रमेश ने समाज विज्ञान के महत्व को रेखांकित किया। बताया कि यह एक उचित मंच है जहाँ पाँच दिवसीय इस रिसर्च मेथाडोलॉजी कोर्स में बहुत कुछ सीखने का मौका शोधार्थियों को मिलेगा। प्रोफेसर हिमांशु शेखर झा ने अपने उद्घोषण में कहा कि शोधार्थियों को शोध में ऐसा विषय चुना चाहिए जो समाज के काम आए। शोध को नए आयाम गढ़ना जरूरी है। तकनीकी सत्र में डॉ० आशुतोष पाण्डेय तथा डॉ० किशोर कुमार ने शोध के विभिन्न पक्षों

पर विस्तार से चर्चा किया। कार्यक्रम का संयोजन डॉ० सतिश्वर कुमार मिश्र ने किया। संचालन श्री राजेश त्रिपाठी ने किया। विश्वविद्यालय का परिचय डॉ० सख्यसाची ने तथा शोध परिचय डॉ० रूद्र ओझा ने प्रस्तुत किया। धन्यवाद ज्ञापन श्री आर. एल. विश्वकर्मा ने किया। इस अवसर पर सामाजिक विज्ञान विभागाध्यक्ष डॉ० पूजा तिवारी, डॉ० रमेश चंद्र मिश्र, डॉ० विरेंद्र मणि, डॉ० हिमांशु शेखर सिंह, डॉ० देवेन्द्र यादव, डॉ० हिमांशु टण्डन सहित शोध छात्र एवं शिक्षकगण बड़ी संख्या में मौजूद रहे।

# शोध और शोधार्थी की प्रवृत्ति समाजोपयोगी होनी चाहिए- प्रो राम मोहन पाठक

## एनजीबीयू में पांच दिवसीय रिसर्च मेथडोलॉजी कोर्स कार्यशाला संपन्न

**युनाइटेड फ्रीडम संवाददाता हनुमानगंज** विभिन्न क्षेत्रों में निरंतर शोध कार्य जारी है और यह मनुष्य की मूलभूत प्रवृत्तियों में शुमार होती जा रही है। लेकिन शोधकर्ताओं को शोध की विषयवस्तु समाज हितैषी रखनी चाहिये। उक्त बातें एनजीबीयू में आईसीएसएसआर नई दिल्ली द्वारा प्रायोजित पांच दिवसीय रिसर्च मेथडोलॉजी कोर्स कार्यशाला के समापन अवसर पर बतौर मुख्य अतिथि रहे पूर्व कुलपति प्रो राम मोहन पाठक ने कही।

उन्होंने आगे कहा कि सूचना प्रौद्योगिकी में आर्टिफिशियल इंटेलिजेंसी (एआई) के दुरुपयोग को रोकना एक चुनौती बन गया है। इसलिए शोध कार्य में समाज हित को नाकारा नहीं जाना चाहिए। अध्यापकीय उद्बोधन में

विश्वविद्यालय के कुलपति प्रो संजय श्रीवास्तव ने कहा शोध का उद्देश्य वृहद होना चाहिए। शोध और शोध पद्धति का विषय व्यापक है। इतिवि के प्रो आशीष सक्सेना ने शोध कार्य में देशज ज्ञान के समावेश को उपयोगी बताया।

आईसीएसएसआर के प्रतिनिधि डॉ रमेश शर्मा ने कहा रिसर्च विषय गूढ़ हैं। गहराई में उतरने पर परिपक्वता हासिल होती है। डॉ० अमृता सिंह, प्रो प्रबुद्ध मिश्रा ने भी शोध तकनीक एवं नैतिकता पर अपने विचार व्यक्त किए।

संस्था के सचिव मनीष मिश्र ने सभी अतिथियों का आभार व्यक्त किया। कुलसचिव आरएल विश्वकर्मा,

डॉ राजेश त्रिपाठी, डॉ शंतेश्वर मिश्रा डॉ पूजा तिवारी व डॉ देवेन्द्र यादव आदि उपस्थित रहे।
