Music

[Department of Performing Arts]

[Effective From 2025-26 Onwards]

Introduction of the Programme: [a] Introduction:

The NEP-2020 offers an opportunity to effect a paradigm shift from a teacher-centric to a student-centric higher education system in India. It is based on Outcome Based Education, where the Graduate Attributes are first kept in mind to reverse-design the Programs, Courses and Supplementary activities to attain the graduate attributes and learning outcomes. The learning outcomes-based curriculum framework for a degree in B.A. (Honours/Honours with Research) in Music is intended to provide a comprehensive foundation to the subject and to help students develop the ability to successfully continue with further studies and research in the subject while they are equipped with required skills at various stages. The framework is designed to equip students with valuable cognitive abilities and skills so that they are successful in meeting diverse needs of professional careers in a developing and knowledge-based society. The curriculum framework takes into account the need to maintain globally competitive standards of achievement in terms of the knowledge and skills, as well as to develop spirit of enquiry, problem solving skills and human and professional values which foster rational and critical thinking in students.

(For Students of other Discipline or Subject)					

Course Outcome

- **CO1.** Students will be able to define folk music and explain its characteristics, cultural significance, and how it differs from classical music. They will understand the oral tradition and the community-based nature of folk music in Uttar Pradesh.
- **CO2.** Students will identify and describe the key folk music traditions from different regions of Uttar Pradesh such as Awadh, Braj, Bhojpur, Bundelkhand, and Rohilkhand. They will also analyze how regional dialects and cultural contexts influence folk expressions.
- **CO3.** Students will differentiate among various folk genres like seasonal, ceremonial, devotional, festive, and occupational songs. They will understand the social and ritual contexts in which these songs are performed.

CO4. Students will identify traditional folk instruments and understand the common rhythmic patterns and performance formats. They will also learn the cultural nuances of stage presentation including costume, gestures, and interaction styles.

CO5. Students will acquire hands-on skills by learning and performing selected folk songs from various genres. They will develop basic accompaniment techniques and enhance their collaborative and solo performance abilities.
