Mishra
HOD. Dept. of Pol. Science

About The University:

The Foundation of Nehru Gram Bharati (Deemed to be University) was laid in the village Jamunipur Kotwa in the Phulpur parliamentary constituency by late Pt. Jawaharlal Nehru in 1962 with a dream to establish a center of higher learning in rural India. The vision of Pt Nehru has been translated into action through philanthropic leadership and efforts of Shri J. N. Misra leading to establishment of present University which was declared as Deemed to be University in the year 2008. Presently, NGB (DU) has close to more than 500 teaching and administrative staff, more than 5000 UG & PG students, 400+ research scholars with 26 Departments ranging from traditional subjects to professional courses and special education courses to develop trained manpower for teaching children with disabilities. NGB (DU) endeavours to offer training and teaching to disadvantaged section of society including women, scheduled caste and scheduled tribes

About the Seminar:

The National Education Policy, 2020, uses two interesting phrases: “No hard separations” and “elimination of silos”. These terms are, of course, used in the context of areas of learning. However, they have implications in almost all areas of education. As the country begins to work on implementing the policy, it is imperative to understand these phrases and their implications. Thus, the prime objective of organizing this seminar is to provide a common platform to discuss its ideas, objectives, and deliberate over the concern of National Education Policy 2020.

Sub Themes

- Indian Education System
- Technological Advancement and Innovations in Education
- NEP2020: Skill Enhancement and Employment
- Multidisciplinary and Holistic
- Approaches to Education
