Message

With divine blessings and a deep sense of fulfillment, I am pleased to share my message for the Annual Report 2024–25 of Nehru Gram Bharati Deemed to be University, Prayagraj.

Since its inception, this University has been envisioned as a centre of learning that nurtures not only intellect but also values, and a sense of responsibility towards society. It is heartening to witness the steady progress and the sincere efforts being made to uphold this vision.

The achievements of the past year reflect the dedication, discipline, and collective commitment of our academic community. Education, in its true essence, is not merely the acquisition of knowledge but the development of character, compassion, and a spirit of service. I am glad to see that the University continues to move forward in this direction.

I firmly believe that our students are the torchbearers of tomorrow, and it is our duty to guide them with wisdom, integrity, and moral strength. The initiatives undertaken during the year, particularly in skill development, community engagement, and inclusive growth, are commendable and align with our core values.

I extend my blessings and best wishes to all students, faculty members, and staff for their continued dedication. May this institution continue to grow as a beacon of knowledge, culture, and service to humanity.

Let us move ahead with faith, humility, and determination, striving to create a better and enlightened society.

Shri J. N. Misra
Hon'ble Founder Chancellor

Message

It is a matter of great pride and satisfaction to reflect upon the accomplishments of Nehru Gram Bharati Deemed to be University, Prayagraj, as presented in the Annual Report 2024–25.

The University has consistently upheld its commitment to providing accessible, value-based, and socially relevant education, particularly in rural and semi-urban regions. This year stands as a testament to our unwavering focus on empowering youth through knowledge, skill development, and character building.

Our efforts have been directed not only towards academic excellence but also towards creating meaningful opportunities for students through industry partnerships, employability initiatives, and community-oriented programmes. The emphasis on holistic development has enabled our students to grow as responsible individuals equipped to meet the challenges of a dynamic world.

I am pleased to note the expanding footprint of the University in areas such as digital learning, innovation, and inclusive education. These initiatives reflect our vision of building an institution that is progressive, responsive, and rooted in strong ethical values.

I extend my heartfelt appreciation to the Hon'ble Founder Chancellor, the Vice Chancellor, members of the academic and administrative fraternity, and all stakeholders whose dedication and collective efforts continue to strengthen the University's foundation.

As we look ahead, I am confident that the University will continue to scale new heights, fostering excellence and contributing meaningfully to society and nation-building.

I convey my best wishes to all for continued growth and success.

Shri Manish Mishra
Chancellor

Message

It gives me immense pleasure to present the Annual Report for the Academic Year 2024–25 of Nehru Gram Bharati Deemed to be University, Prayagraj.

The year 2024–25 has been a period of significant progress, innovation, and achievement for our University. Guided by our vision of providing quality education rooted in values and social responsibility, we have continued to strengthen our academic framework, enhance research initiatives, and expand our outreach activities.

Our dedicated faculty members, committed staff, and enthusiastic students have collectively contributed to the academic excellence and holistic development that define our institution. During this year, we have witnessed notable advancements in teaching-learning processes, industry collaborations, skill development programmes, and placement opportunities, reflecting our continuous efforts towards bridging the gap between academia and industry.

We have also made meaningful strides in promoting inclusive education, community engagement, and digital transformation, aligning ourselves with the evolving needs of higher education and national priorities.

As we move forward, we remain committed to nurturing talent, fostering innovation, and empowering our students to become responsible global citizens.

I extend my best wishes to all for continued success and excellence.

Prof. (Dr.) Rohit Ramesh
Vice Chancellor

Message

It gives me pleasure to know that annual report is going to be published which comprehensively reflects our academic, administrative and developmental activities of session 2024–2025.

This university continues to move with a clear commitment to academic excellence, inclusive growth and social relevance. During the year under report, concerted efforts were made to strengthen teaching-learning processes, provide research and innovation and enhance student support systems. The collective dedication of our faculty members, officers, staff and students has played a vital role in achieving these activities.

I am pleased to note significant initiatives were undertaken in the areas of curriculum enrichment, faculty development, research promotion, digital governance and infrastructure augmentation. Special emphasis was laid on quality assurance mechanism through IQAC, alignment with National Education Policy to ensure transparency and efficiency in governance.

The university has also remained actively engaged in extension and outreach activities, reaffirming its responsibility towards society. Collaboration, community engagement programs and student-centric initiatives have contributed meaningfully to holistic development and social impact.

I am confident that with sustained commitment, innovation and teamwork, the University will continue to scale greater heights and fulfill its vision of excellence in higher education.

With Best Wishes.

Dr. S.C. Tiwari
Pro-Vice Chancellor

Acknowledgement Letter

With the divine blessings of our Hon'ble Founder Chancellor and with the kind approval of our Hon'ble Chancellor for being the guiding light whose vision continues to inspire us all,

I take immense pride and heartfelt joy in presenting the Annual Report for the academic year 2024–25.

This report is not just a collection of facts and figures—it is a vibrant reflection of our shared journey, our milestones, and the collective spirit that drives Nehru Gram Bharati (Deemed to be University) towards excellence year after year.

It has been an inspiring and humbling experience to witness the wholehearted support, dedication, and tireless efforts of so many members of our university family. I extend my deepest gratitude and sincere appreciation to each and every contributor whose time, energy, and commitment made this report possible. I would like to specially acknowledge:

Hon'ble Vice-Chancellor – for his dynamic leadership, encouragement at every step, and constant motivation that fueled this endeavor.

Hon'ble Pro Vice-Chancellor – for his insightful guidance and unwavering support that added depth to our academic documentation.

Dr. Himanshu Tandon, Registrar– for his steady administrative leadership and support.

Dr. Shikha Khare, Controller of Examinations – for his scholarly inputs and continuous involvement in shaping the academic narrative of the report.

Mr. Ashok Srivastava, Assistant Registrar – for going above and beyond in coordinating submissions and extending crucial support in documentation and logistics.

Mr. Vimlesh Kumar Dubey, Senior Office Assistant – for his tireless behind-the-scenes efforts and dedication to interdepartmental coordination.

My personal blessings and wishes to **Mr. Shantanu Khare, Senior Training and Placement Officer** for his timeless efforts and support.

I want to thank **Dr. Pankaj Kumar Yadav & Mr. Abhishek Prajapati** for providing the photographs for the Annual Report 2024-25.

To all the Respected Directors, Deans, Heads of Departments (HODs), and Faculty Members, I offer my heartfelt thanks. Your prompt responses, detailed departmental updates, and consistent cooperation made this report rich in content and reflective of our collective progress.

This report stands as a symbol of unity; a testament to what we can accomplish when we work hand-in-hand with a shared vision and a common goal. It is more than a document, it is a celebration of the strength, resilience, and brilliance that define our university.

From the bottom of my heart, thank you all for making this possible. Your contributions have not only enriched the report but have also reinforced my belief in the incredible potential of this academic community.

With deepest appreciation and warm regards,

Dr. Ramesh Chandra Mishra

Chairman, Annual Report 2024–25

About the University

History & Background

On 26th July 1962, Jawaharlal Nehru laid the foundation stone of Nehru Gram Bharati with a vision to establish an institution of higher learning dedicated to rural transformation and nation-building.

Emerging as one of the pioneering rural universities in Uttar Pradesh, Nehru Gram Bharati is among the few higher education institutions in India situated in a rural setting. The University was declared a “Deemed to be University” under Section 3 of the UGC Act, 1956, by the Ministry of Education (formerly the Ministry of Human Resource Development) vide Notification No. F.9-42/2005-43(A) dated 27th June 2008 and No. 12-25/2023-U.3(A) dated 24th November 2023.

Pandit Nehru believed that the development of India's hinterland depended upon education, scientific temper, and social participation. His vision of establishing institutions of higher learning in rural areas was realized in 2008 by Sri J. N. Misra, an eminent bureaucrat, social thinker, and philanthropist. Inspired by the ideals of Mahatma Gandhi and Jawaharlal Nehru, and committed to empowering rural communities through quality education, he transformed this dream into reality by establishing Nehru Gram Bharati (Deemed to be University), Prayagraj.

In alignment with the National Education Policy 2020, the University has restructured its academic framework from the 2023–24 academic sessions to promote holistic, flexible, and multidisciplinary education. It has adopted a comprehensive curriculum structure incorporating Academic Bank of Credits (ABC) provisions and multiple entry–exit options. The University integrates skill-based, vocational, and value-added courses to enhance employability and entrepreneurial competencies. It actively promotes research, innovation, and incubation through strengthened industry linkages and collaborations. Emphasis is placed on experiential learning, internships, community engagement, and field-based projects. Additionally, laboratories and digital infrastructure have been upgraded to support blended and technology-enabled learning, alongside focused mentoring and startup facilitation to generate employment opportunities. Situated in a serene natural environment, the University fosters academic excellence alongside social responsibility. It remains committed to inclusive education by increasing access for economically disadvantaged, meritorious, rural, tribal, and female students.

The institutional mission extends beyond academic instruction to holistic personality development—nurturing leadership, ethical values, constitutional responsibilities, and a deep sense of commitment toward society and the nation.

Vision

We aim to nurture and promote youth especially from rural area by providing high quality education and training in keeping with the promise of Late Pt. Jawahar Lal Nehru. Our dream is to build a role model Institution with state of art infrastructure providing right ambience for creativity and stimulation in thinking to generate new ideas for research and application of skill for developing technology for welfare of mankind.

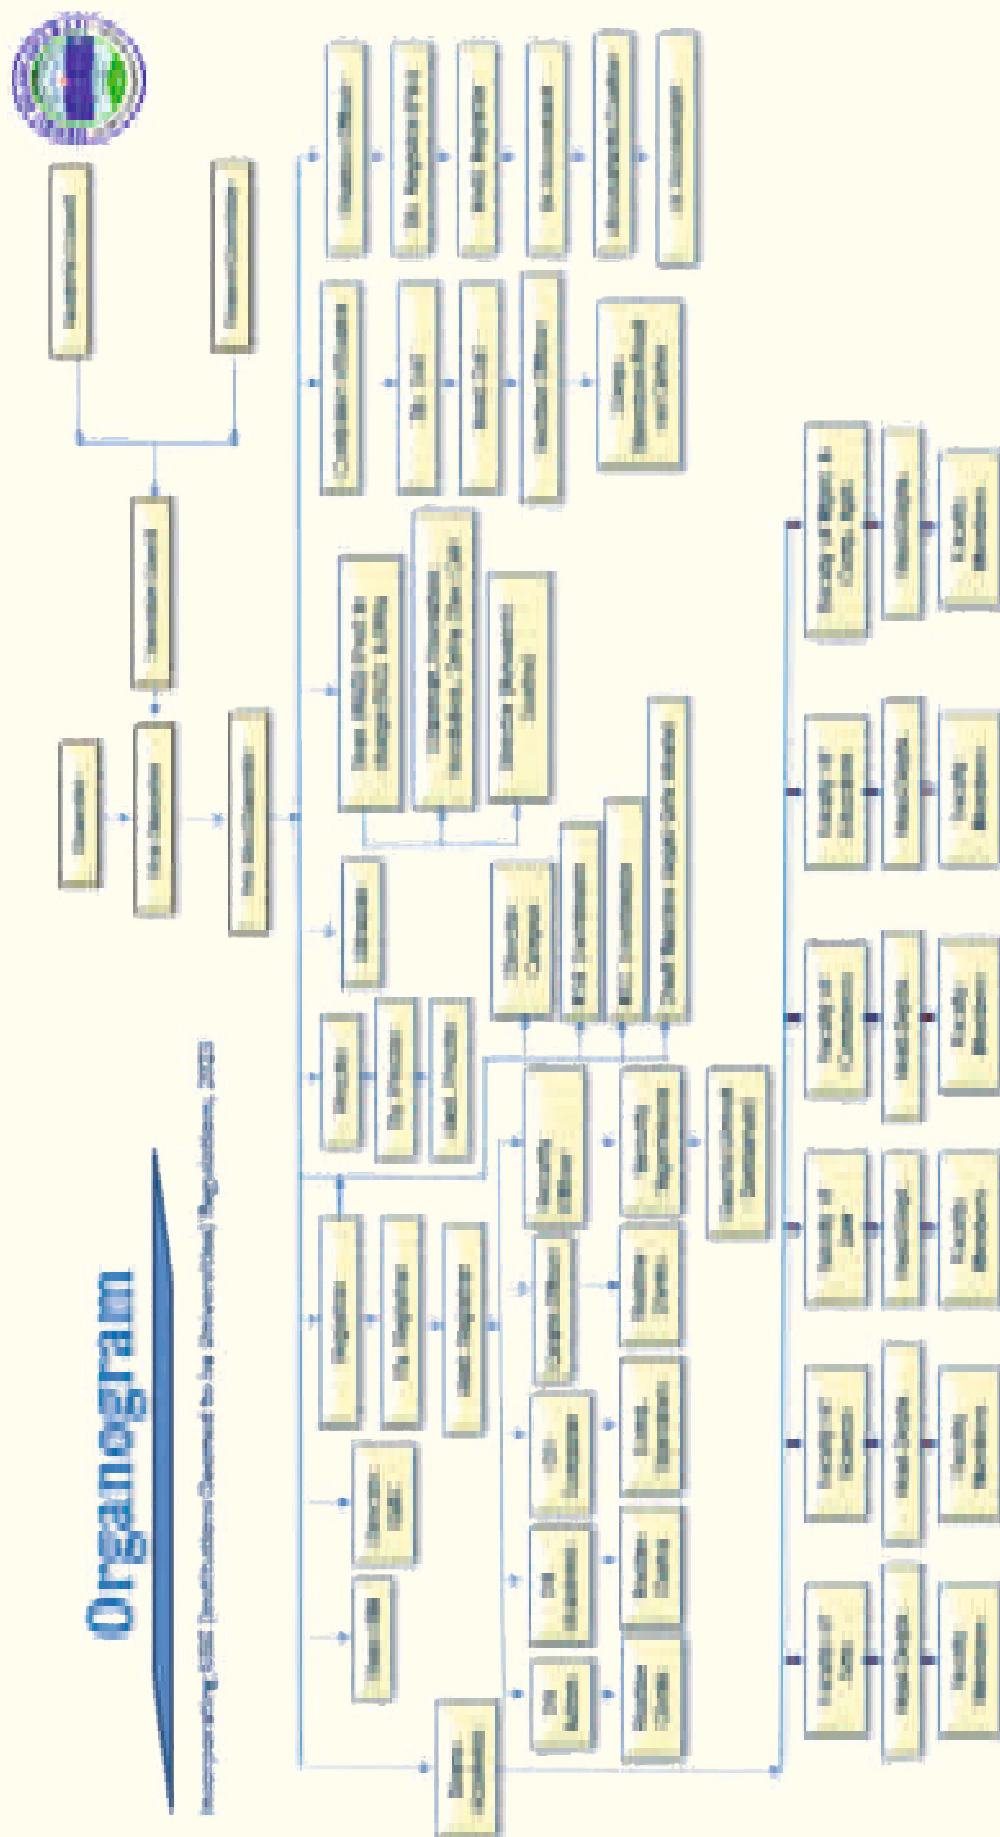

Mission

Our mission is to empower the nation through preparation of competent and trained human resource. University has plans to enhance capability of young talents for fulfillment of their aspirations through innovation, skill development and proper training. We endeavor to enhance employability through training and spirit of competitiveness. We emphasize inculcating initiative for entrepreneurship generating self employment and national wealth.

The Department of Geography offers B.A., M.A., and Ph.D. programmes and has Research focuses on environmental geography, GIS and remote sensing, climate change, regional planning, and human geography with special reference to rural and urban development.

5. Department of Hindi

The Department of Hindi, one of the core departments since inception, offers B.A., M.A., and Ph.D. programmes. Its thrust areas include Hindi literature, linguistics, comparative literature, folk literature, and modern literary criticism, contributing to the promotion of Indian languages and culture.

6. Department of Home Science

The Department of Home Science offers B.A., M.A., and Ph.D. programmes. Research areas include nutrition and health, human development, family resource management, textile and clothing, and community extension, with a focus on women empowerment and rural livelihoods.

7. Department of Performing Arts

The Department of Performing Arts offers B.A., B.P.A., M.P.A. (Vocal & Tabla), and Ph.D. programmes. Its research thrust lies in Indian classical music, performing traditions, musicology, cultural studies, and preservation of Indian performing arts heritage.

8. Department of Philosophy & Yoga

The Department of Philosophy & Yoga offers B.A., M.A., Ph.D., and a PG Diploma in Yoga. Research areas include Indian philosophy, ethics, logic, applied philosophy, yogic science, mental health, and holistic well-being rooted in traditional knowledge systems.

9. Department of Political Science

The Department of Political Science offers B.A., M.A., and Ph.D. programmes. Its thrust areas include Indian politics, international relations, public administration, governance, human rights, and policy studies.

10. Department of Sanskrit

The Department of Sanskrit offers B.A., M.A., Ph.D., and diploma programmes in Jyotish, Karmkand, and Vastushastra. Research focuses on Vedic literature, classical Sanskrit texts, Indian philosophy, linguistics, and preservation of ancient knowledge traditions.

11. Department of Social Work

The Department of Social Work offers M.S.W. and Ph.D. programmes. Its research thrust areas include community development, social justice, rural development, health and sanitation, and NGO management, emphasizing field-based learning.

12. Department of Sociology

The Department of Sociology offers B.A., M.A., and Ph.D. programmes. Research areas include social stratification, rural and urban sociology, gender studies, social change, and development studies.

13. Department of Journalism & Mass Communication

The Department of Journalism & Mass Communication offers B.A., M.A(J.M.C.), Ph.D., and PG Diploma programmes in Journalism & Mass Communication and Photography. Its thrust areas include media studies, digital journalism, communication theory, advertising, public relations, and development communication.

14. Department of Library & Information Science

The Department of Library & Information Science offers B.Lib.I.Sc., M.Lib.I.Sc., and Ph.D. programmes. Research focuses on information management, digital libraries, knowledge organization, ICT applications in libraries, and information literacy.

Faculty of Science

1. Department of Botany

The Department of Botany was established as part of the Faculty of Science with the expansion of science programmes after the institution attained deemed to be University status (post-2008). It offers B.Sc. (Hons./Hons. with Research), M.Sc. (Botany), and Ph.D. programmes. The department also conducts value-added courses such as mushroom cultivation and food grain storage techniques. Its thrust areas of research include plant taxonomy, plant physiology, environmental botany, biodiversity conservation, and sustainable agriculture with emphasis on rural applications.

2. Department of Chemistry

The Department of Chemistry, established during the early development phase of the Faculty of Science (post-2008), offers B.Sc. (Hons./Hons. with Research), M.Sc. (Chemistry), and Ph.D. programmes. It also provides certificate courses in laboratory techniques and food chemistry. The department's research thrust areas include organic, inorganic, and physical chemistry, environmental chemistry, material science, and applied chemical sciences relevant to industry and rural development.

3. Department of Mathematics

The Department of Mathematics was established along with other core science disciplines following the expansion of academic programmes after 2008. It offers B.Sc. (Hons./Hons. with Research), M.Sc. (Mathematics), and Ph.D. programmes. The department also runs certificate courses focused on essential skills and competitive mathematics. Its research thrust areas include pure mathematics, applied mathematics, computational mathematics, operations research, and mathematical modeling.

4. Department of Physics

The Department of Physics, established as part of the Faculty of Science expansion (post-2008), offers B.Sc. (Hons./Hons. with Research), M.Sc. (Physics), and Ph.D. programmes. It also conducts certificate courses in solar energy systems and electrical appliance maintenance. The department focuses its research on condensed matter physics, electronics, renewable energy, nuclear and particle physics, and applied physics.

5. Department of Zoology

The Department of Zoology was established in the early phase of the Faculty of Science (post-2008) and offers B.Sc. (Hons./Hons. with Research), M.Sc. (Zoology), and Ph.D. programmes. It also provides value-added courses such as vermicomposting and aquarium fish culture. The department's research thrust areas include animal biodiversity, ecology, environmental biology, genetics, wildlife conservation, and applied zoology with rural orientation.

Faculty of Commerce

Department of Commerce

The Department of Commerce at Nehru Gram Bharati (Deemed to be University) was established with the expansion of professional and career-oriented programmes following the conferment of deemed university status in 2008. The department offers B.Com. (Hons./Hons. with Research), M.Com., and Ph.D. programmes, along with value-added and skill-based courses aligned with industry requirements. The thrust areas of research include accounting and finance, taxation, banking and insurance, corporate governance, entrepreneurship development, and rural and cooperative economics, with a focus on fostering practical knowledge and supporting regional economic development.

Faculty of Law

Department of Law

The Department of Law at Nehru Gram Bharati (Deemed to be University) was established during the expansion of professional programmes in the post-2008 phase, following the conferment of deemed-to-be-university status. The department offers integrated and conventional programmes such as B.A. LL.B. (Hons.), LL.B., LL.M. LL.M. (Cyber Law), 1 Year LL.M. in Corporate and Commercial Law & Criminal & Security Law and Ph.D. in Law, designed in alignment with the guidelines of the Bar Council of India. The thrust areas of research include constitutional law, human rights, criminal law, corporate and commercial law, environmental law, and socio-legal studies, with a special focus on access to justice, legal awareness, and rural development. The department emphasizes clinical legal education, moot courts, legal aid services, and community outreach to bridge the gap between legal theory and practice.

Faculty of Management & Computer Application

1. Department of Management

The Department of Management at Nehru Gram Bharati (Deemed to be University) was established during the expansion of professional and career-oriented programmes in the post-deemed university phase (around 2008–2010). The department offers BBA, MBA, and Ph.D. programmes in Management, with specializations in areas such as Human Resource Management, Marketing, Finance, Information Technology, Operation Management, International Business Management, Health Care and Hospital Management, and Rural Management. The thrust areas of research include entrepreneurship development, rural and agribusiness management, financial inclusion, organizational behaviour, and sustainable business practices, with a focus on addressing regional and national developmental needs.

2. Department of Computer Application

The Department of Computer Application at Nehru Gram Bharati (Deemed to be University) was established in the early phase of professional course expansion (post-2008). The department offers BCA, MCA, and Ph.D. programmes in Computer

Applications. Its thrust areas of research include artificial intelligence, data science, cloud computing, software engineering, cybersecurity, and ICT applications for rural development. The department emphasizes skill-based learning, industry-oriented training, and emerging technologies to enhance employability and innovation.

Faculty of Education

1. Department of Teacher Education

The Department of Teacher Education was established with the development of the Faculty of Education the institution attained Deemed to be University status to Nehru Gram Bharati in 2008. The department offers professional teacher training programmes such as B.T.C./D.El.Ed., B.El.Ed., B.Ed., Integrated BPES MPES, M.Ed., and Ph.D. programmes. The department also conducts certificate courses in teaching–learning processes and guidance and counselling to enhance pedagogical skills. The major thrust areas of research include teacher education pedagogy, curriculum development, educational psychology, inclusive education, ICT in teaching–learning, educational leadership, and innovative teaching methodologies aligned with contemporary educational reforms and the National Education Policy (NEP).

2. Department of Special Education

The Department of Special Education was established under the Faculty of Education to promote inclusive and disability-focused teacher training and research. The department offers specialized programmes such as D.Ed. Special Education (Hearing Impairment and Intellectual & Developmental Disabilities), B.Ed. Special Education (HI and ID), M.Ed. Special Education (HI), integrated teacher education programmes and Ph.D. in relevant areas. The department focuses on research related to inclusive education, rehabilitation and intervention strategies for persons with disabilities, assistive technologies, special pedagogy, and policies for empowerment and social inclusion of persons with special needs.

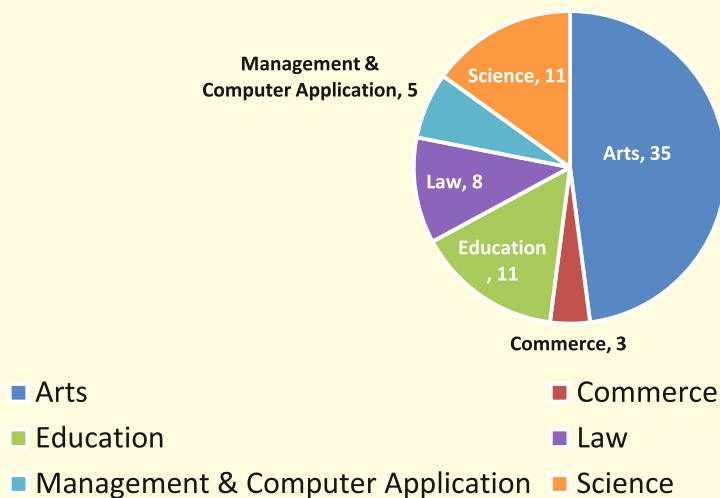

3. Department of Education

The Department of Education was established as a core academic discipline within the Faculty of Education after the university attained deemed status in 2008. The department offers B.A. (Hons./Hons. with Research) in Education, M.A. (Education), and Ph.D. programmes. Its research thrust areas include educational philosophy, sociology of education, educational psychology, educational planning and administration, curriculum studies, and contemporary issues in education with a focus on quality enhancement and teacher development. The department emphasizes research and academic engagement aimed at improving teaching–learning processes and educational policies in India.

Curriculum Development & CBCS/NEP-2020 Initiatives

New Programmes Launched in 2024-25:

- 02 Year LL.M. (Cyber Law),
- One Year LL.M. (Corporate & Commercial Law),
- 01 Year LL.M. (Criminal & Security Law),
- 02 Years PG Diploma in Photography
- 05 Years Integrated BPES-MPES

During the academic year 2024–25, Nehru Gram Bharati (Deemed to be University) undertook significant curriculum reforms in alignment with the transformative vision of the National Education Policy 2020. The University focused on creating a holistic, flexible, multi disciplinary, and skill-oriented academic framework to enhance the quality of higher education and improve student employability.

A major initiative was the implementation of NEP-2020 aligned undergraduate programmes in 2024 as the programmes were introduced in AY 2023-24. The University organised induction programmes for NEP Students to make them aware about new terminologies adopted in NEP-2020 aligned programmes and benefits of NEP-2020 aligned programmes including multidisciplinary curriculum framework allowing them to choose courses across disciplines, thereby promoting academic flexibility and holistic development. Also, about multiple entry and exit options wherein Students are now eligible to receive a certificate after one year, a diploma after two years, and a degree after three or degree with honours after four years, depending on their progression. This flexible system enhances accessibility and lifelong learning opportunities, supported by the Academic Bank of Credits (ABC) for credit transfer and accumulation.

Also, Making them aware about Skill Enhancement Courses (SEC) , value-added courses, internships, and field-based learning. Vocational exposure and practical training were integrated into curricula to bridge the gap between theoretical knowledge and real-world application. This reflects NEP's focus on competency-based learning and early exposure to employability skills.

Another significant development was the integration of Indian Knowledge Systems (IKS), into the curriculum.

Following departments revised their curriculum through BoS conducted in Academic Year 2024-25

Teaching-Learning & Evaluation

Teaching Methodologies

During the academic year 2024–25, Nehru Gram Bharati (Deemed to be University) adopted a range of innovative, student-centric teaching methodologies in alignment with the vision of the National Education Policy (NEP-2020). The focus was on shifting from traditional lecture-based teaching to participatory, experiential, and outcome-oriented learning approaches.

A key methodology implemented was experiential learning (learning by doing). Faculty members emphasized practical exposure through laboratory work, field visits, internships, and community engagement activities. This approach enabled students to connect theoretical concepts with real-life applications and enhanced their problem-solving abilities.

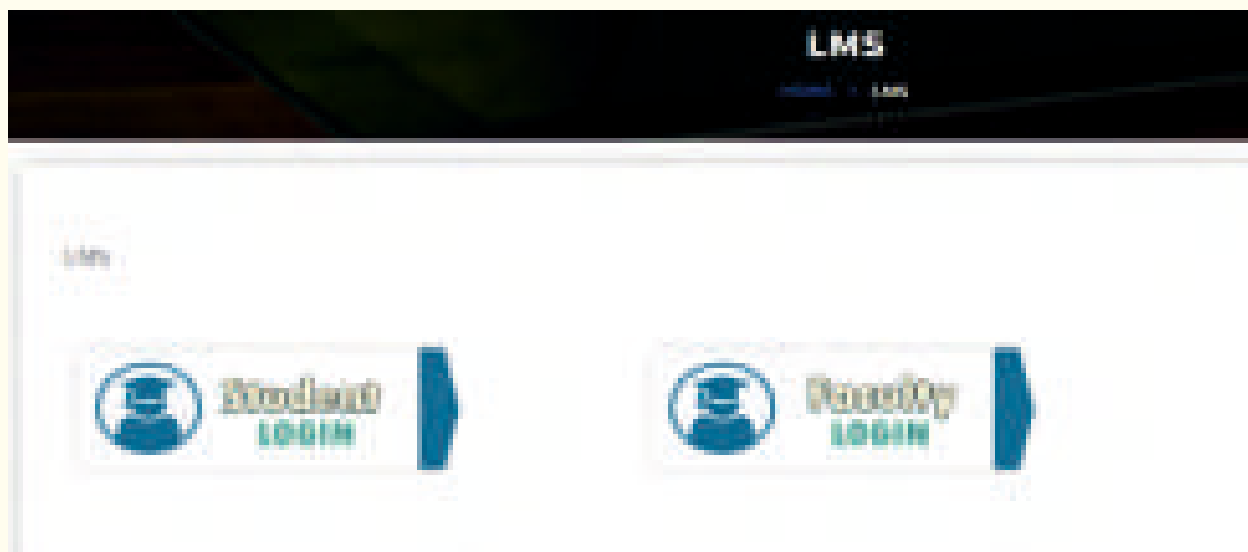

Experiential Learning

Pedagogies emphasized by most of the Departments also include practical exposure through labs, field work, internships, and projects, case studies, simulations, surveys, Question-answer sessions, Discussions and brainstorming, Use of Smart classrooms, PPTs, videos, and e-content, Group discussions, Seminars and presentations, Role plays and debates, Group activities, Peer teaching, Educational tours, NSS/NCC programs, Rural/community engagement, Research projects & Dissertation work, Quizzes, assignments, presentations etc.

Learning Resources

The University also implemented blended learning and ICT-enabled teaching. Digital platforms, Learning Management Systems (LMS), online lectures, and e-resources were integrated with traditional teaching. Tools such as presentations and virtual labs were used to support flexible and self-paced learning. Blended learning combines face-to-face and online instruction, enhancing accessibility and effectiveness of teaching-learning processes.

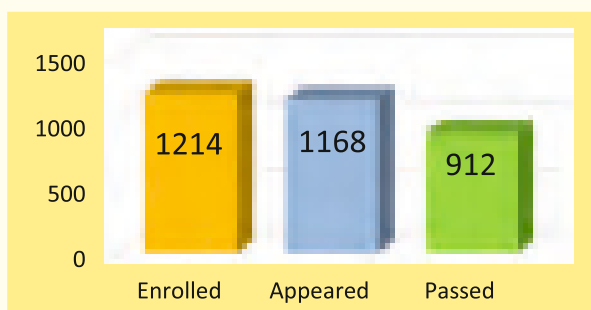

Outcome-Based Education (OBE) & Evaluation

The University also adopted Outcome-Based Education (OBE) practices, ensuring that teaching methodologies were aligned with clearly defined Course Outcomes (COs) and Programme Outcomes (POs). Teaching strategies were designed to achieve measurable learning outcomes, focusing on skill development, application, and competency rather than rote memorization.

Another significant methodology was continuous and formative assessment. Instead of relying solely on end-semester examinations, the University used quizzes, assignments, project evaluations, presentations, and internal assessments to monitor student progress. Continuous feedback helped students improve their learning outcomes and encouraged active participation throughout the semester.

Further, value-based and holistic learning approaches were integrated into teaching practices. Faculty incorporated elements of ethics, environmental awareness, and Indian Knowledge Systems into classroom discussions, ensuring the overall development of students in line with NEP-2020.

Examination Reforms in-line with NEP-2020:

In alignment with the National Education Policy 2020, Nehru Gram Bharati (Deemed to be University) has undertaken significant examination reforms to promote competency-based, continuous, and holistic assessment. The University has shifted from traditional rote-based evaluation to a blended system incorporating Continuous Internal Assessment (CIA), project-based evaluation, open-book examinations, and application-oriented question patterns that emphasize critical thinking and problem-solving skills (Blooms Taxonomy). Multiple entry and exit options are supported through a flexible credit system aligned with the Academic Bank of Credits (ABC), ensuring seamless academic mobility. Digitalization of examination processes, including online assessment, result processing, and timely declaration, enhances transparency and efficiency. Additionally, the University promotes formative assessment techniques such as quizzes, presentations, fieldwork, and internships, ensuring that evaluation is comprehensive, learner-centric, and aligned with real-world competencies as envisaged under NEP-2020. Marksheets were restructured as per requirement of NEP-2020 like mentioning of NHEQF level etc.

Community Engagement Programme **Janami Outreach Programme In 2024-25**

About the JANAMI Program:

By the grace and inspiration of our respected Founder Chancellor Sir, the JANAMI Foundation initiated a program of free education and personality development for children belonging to the Socio-Economic Disadvantaged Group (SEDG) in the age group of 6 to 14 years. T

he program commenced on 6th June 2022 with 55 children under the esteemed guidance of the respected Chancellor (JANAMI). At present, three academic groups—Classes 1 to 3, Classes 4 to 5, and Classes 6 to 12—are being conducted by the Faculty of Law, with active participation from B.A. LL.B. & LL.B students and faculty members. All core subjects including Mathematics, English, Science, Social Science, and Art are taught to the children. In addition to academic instruction, various cocurricular and extracurricular activities are organized both within and outside the campus. Currently, the number of registered students has increased to 145. The program not only focuses on academic growth but also appreciates, fosters, and promotes the holistic development of children by encouraging their participation in social transformation initiatives and sports activities. Educational visits are regularly organized to places such as museums, libraries, parks, and other institutions of learning to broaden their knowledge, exposure, and overall personality development.

15 Aug. 2024 : Independence Day Celebration

The Independence Day program was successfully organized by the students of the JANAMI Foundation on 15th August. The event was conducted with great enthusiasm and patriotic spirit. The program began with a warm welcome and celebration of the spirit of independence. Students actively participated in various cultural activities, making the event vibrant and memorable. The performances included dance and singing, which added color and energy to the celebration, making it a truly multicolor cultural function.

08 Mar 2025 : International Women's Day

The Women's Day Poster Competition was successfully organized in the open area of NGBU on the occasion of 8th March. The event aimed to promote awareness about women empowerment, equality, and social justice among students. The program commenced with a brief introduction highlighting the importance of Women's Day. Students enthusiastically participated in the poster competition and expressed their creativity through meaningful themes such as "Women Power," "Equality & Respect," "Save Girl Child," and "Beti Bachao Beti Padhao." Participants prepared their posters on the spot using colors and creative ideas, making the event lively and

competitive. The open environment added to the spirit of participation and collaboration among students.

Corporate Resource Cell (Training and Placement)

Nehru Gram Bharati (Deemed to be University) is a renowned institution committed to academic excellence, innovation and education, our university offers a wide array of undergraduate and postgraduate programs across various disciplines.

Establishing a Corporate Resource Cell (CRC) at Nehru Gram Bharati (Deemed to be University) can be a strategic move to bridge the gap between academia and industry and will foster the industry-academia collaboration, facilitating internships and placements, organizing industry-relevant workshops and seminars, etc.

The Training & Placement Cell of Nehru Gram Bharati Deemed to be University (NGBDU) continued to play a pivotal role in enhancing the employability and career prospects of students during the academic session 2024–25. With a structured approach towards skill development, industry engagement, and placement facilitation, the Cell strengthened its commitment to bridging the gap between academia and industry.

During the reporting year, the Cell successfully organized various training and capacity-building programs, including workshops on aptitude development, communication

skills, personality enhancement, resume building, and interview preparation. Special emphasis was laid on industry-oriented learning through guest lectures and expert sessions conducted by professionals from reputed organizations.

The Cell facilitated various industrial visits across various departments, enabling students to gain practical exposure and firsthand understanding of industrial operations. Additionally, students were placed in reputed organizations across sectors such as IT, management, media, and manufacturing.

A significant achievement of the year was the signing and execution of multiple Memoranda of Understanding (MoUs) with leading organizations, enhancing opportunities for internships, live projects, and collaborative training. The Cell also coordinated internship opportunities for the students, ensuring experiential learning as a key component of academic growth.

Notably, collaborations with organizations such as HCL and other industry partners contributed towards expanding placement avenues and skill enhancement initiatives.

The Training & Placement Cell remains committed to continuous improvement by adopting innovative training methodologies, strengthening industry linkages, and fostering a culture of professional excellence among students.

E-Governance Initiatives

The Nehru Gram Bharati (Deemed to be University) has undertaken several E-Governance initiatives during the academic year 2024–25 to enhance transparency, efficiency, and accessibility in academic and administrative processes. The university has implemented fully digital platforms for admissions, examination form submission, and result declaration, ensuring that students can access services online through its official portal. It has also strengthened its Learning Management System (LMS) to support e-learning, online resources, and blended teaching methodologies. Integration with national digital initiatives such as SWAYAM, e-Pathshala, and the National Academic Depository (NAD) to facilitate access to e-content, MOOCs, and secure digital academic records is in process. Additionally, online grievance redressal systems and digitized administrative workflows have contributed to paperless governance. The adoption of ICT-enabled tools, e-journals, and digital communication channels reflects the university’s commitment to modernizing governance in alignment with national higher education digitalization efforts.
