About the **UNIVERSITY**

The Foundation of Nehru Gram Bharati (Deemed to be University) was laid in the village Jamunipur Kotwa in the Phulpur parliamentary constituency by late Pt. Jawaharlal Nehru in 1962 with a dream to establish a center of higher learning in rural India. The vision of Pt Nehru has been translated into action through philanthropic leadership and efforts of Shri J. N. Misra leading to establishment of present University which was declared as Deemed to be University in the year 2008. Presently, NGB (DU) has close to more than 500 teaching and administrative staff, more than 5000 UG & PG students, 400+ research scholars with 26 Departments ranging from traditional subjects to professional courses and special education courses to develop trained manpower for teaching children with disabilities. NGB (DU) endeavours to offer training and teaching to disadvantaged section of society including women, scheduled caste and scheduled tribes

ABOUT THE SEMINAR

SAMAGAM-2026 is envisioned as a national academic platform for deliberating upon the transformative role of education, innovation and sustainable development in realizing the vision of a developed India by 2047. As India moves towards the centenary of its independence, the idea of Viksit Bharat @2047 calls for an integrated approach that combines economic progress with social inclusion, educational advancement, technological innovation, environmental sustainability and human development.

At the same time, innovation and technological advancement are essential for creating new opportunities, improving productivity and addressing contemporary social and developmental challenges.

SEMINAR OBJECTIVES

The following objectives of the seminar are:

- **To examine the role of education in realizing the vision of Viksit Bharat @2047.**
- **To explore innovative approaches, emerging technologies and knowledge-based practices for accelerating national development.**
- **To deliberate upon the role of sustainable development in achieving long-term economic, social and environmental well-being.**
- **To examine how education can promote social integration, equity, inclusion, social justice and national unity.**
- **To provide a platform for academicians, researchers, policymakers, teachers and practitioners to share research findings, innovative ideas and successful practices.**
- **To identify emerging challenges and opportunities in the fields of education, innovation and sustainable development.**

SUB THEMES

The papers will be welcomed in Hindi/English language on the following related sub- themes:

- Digital Education and Future Learning Ecosystems (E-learning, AI in education, virtual classrooms)
- Innovation and Startup Culture in India (Entrepreneurship growth through Startup India)
- Role of Artificial Intelligence and Emerging Technologies (AI, robotics, data science in national development)
- Sustainable Development Goals (SDGs) and India's Vision 2047 (Alignment of development with global sustainability goals)
- Climate Change, Environment and Green Economy (Eco-friendly policies, conservation, renewable resources)
- Renewable Energy and Clean Technology (Solar, wind energy under National Solar Mission)
- Social Inclusion and Equity in Development (Gender equality, rural up-liftment, marginalized communities)
- Role of Society in Nation Building and Social Integration (Community participation and collective responsibility)
- Digital Economy and Financial Inclusion (Cashless economy, fin Tech, impact of Digital India)
- Health, Well-being and Human Development (Public health, mental health, sanitation via Swachh Bharat Abhiyan)
- Ethics, Values and Good Governance for Developed India (Transparency, accountability, value-based leadership)

Expected Outcomes Of The Seminar

- **Enhanced Academic Understanding:** Participants will develop a deeper understanding of the role of education, innovation and sustainable development in achieving the vision of Viksit Bharat @2047.
- **Knowledge and Idea Sharing:** The seminar will facilitate the exchange of research findings, innovative ideas, best practices and experiences among academicians, researchers, educators and other stakeholders.
- **Promotion of Inclusive Education:** The deliberations will contribute towards identifying strategies for making education more equitable, accessible, inclusive and socially relevant.
- **Strengthening Innovation and Technology:** The seminar will encourage the effective use of emerging technologies, digital learning, artificial intelligence, entrepreneurship and innovation for educational and social development.
- **Sustainable Development Practices:** Participants will identify approaches and institutional practices that can contribute to environmental sustainability, responsible resource utilization and sustainable communities.
