

**NEHRU GRAM BHARATI (DEEMED TO BE UNIVERSITY)
PROFORMA FOR SUBMITTING R&D PROJECT PROPOSAL
FOR SEEKING SEED MONEY**

DETAILS OF THE PROPOSAL

1. Title of Project
2. 2a) Name of Principal Investigator with Designation and Affiliation:

2b) Name of Co-Investigators with Designation and Affiliation:
3. Objective of the Project

a). Brief outline of the project:
4. Summary of the Approach how this will lead to for seeking government funding and Patents with (on a separate sheet) literature survey, Name of the Govt. Funding Agency and its Thrust area of research targeted and Outcome.:
5. Agency with which link up is proposal/established:
6. Duration of Project
7. 06 monthly break-up of achievements with specific intermediate milestones (in terms of aims and objectives)
8. Likely End User(s)
9. Name of organisation collaborating with the project:

10. Total Budget outlay

(Rs.in lakhs)

Head	Ist Phase	IInd Phase	IIIrd Phase	Total
Capital Equipment	Rs.			
Consumable stores	Rs.			
Manpower	Rs.			
Grand Total				

Grand Total : Rs.

11. a) Contribution of collaborating agency in Total Budget Outlay if any: Rs.

12. Note:

Please indicate recent major achievements of in-house R&D in award of Ph.Ds, development of new products/processes, technology transfer, patent taken etc. in the research area targeted for seed money.

PART 1: BACKGROUND INFORMATION

1. Brief Bio-data of Principal Investigator and Co-Investigators (Please attach separate sheets)
2. Interest/Specialization of Investigators in Project Area (Including Industry interaction/Technology transfer)
3. Details on each of the ongoing/completed projects with the Chief Investigator/Co-Investigator
 - i) Project Title
 - ii) Funding Agency
 - iii) Brief Project Summary
 - iv) Technical Status vis-a-vis objectives
 - v) Financial Status (Total Project outlay, expenditure till date)
 - vi) Duration and year of commencement
 - vii) Expected time of completion
8. Brief summary of other project proposals (submitted by any of the Investigators) awaiting consideration
9. Infrastructure and other facilities available at the institute for undertaking this project.
 - a) List of major equipment
 - b) Manpower/resources available for the project on full-time basis.
10. Equipment's /facilities available elsewhere which could be made use of for the project.
11. Details of collaborating agencies
12. Additional information, if any.

PART II: TECHNICAL INFORMATION

1. Aim and Scope of the project (in terms of specific achievement)
2. Detailed description of the Project
4. Specific manner in which know-how generated is envisaged to be translated into production/utility
 - a) the end product
 - b) availability of pilot production facility in the organisations, if any.
5. Technology Transfer collaborations with details of Agencies involved
6. Time-Line
7. Earlier achievements by investigators/ R&D team in related field
 - a) Completed status
 - b) In progress
 - c) Industry interaction/know-how transferred
8. Information regarding specific intermediate milestones (06 monthly)
9. a) Specific difficulties, hold-ups and difficulties foreseen in the implementation of the project.
 - a) If the answer is Yes, how does Principal Investigator proposed to overcome the difficulties
10. Detailed PERT/BAR Chart (Separate Sheet)
