

# NEHRU GRAM BHARATI

(Deemed to be University)

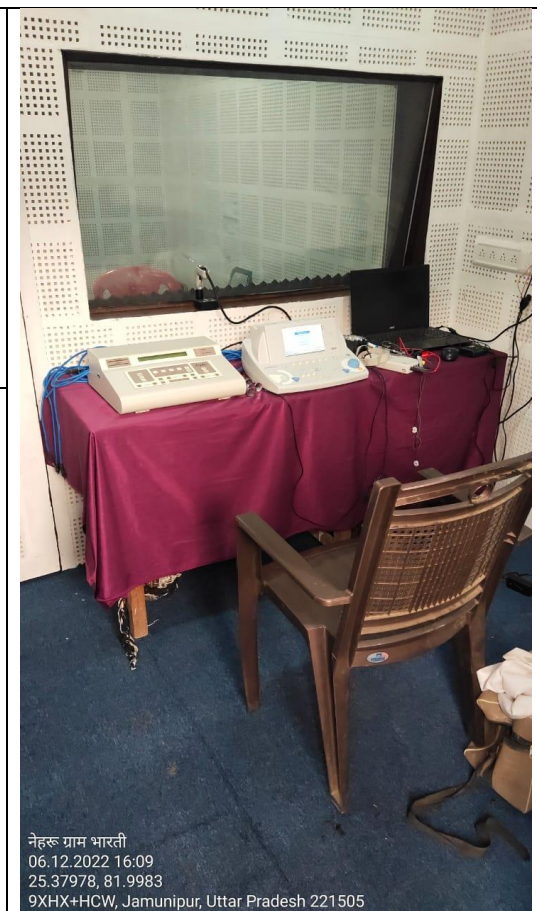

*Audiology Lab*

Dept. of Special Education

## Introduction

Audiology cum Speech & language Pathology lab is established in the ground floor of newly constructed building which is situated in the Jamunipur Main Campus, Prayagraj. This lab is of two room setup , which is acoustically treated with maximum permissible noise level of 35 dBSPL.

Basically, we have BERA Impedance Audiometer, Pure line Audiometer along with speech Trainer which are used for conducting/evaluating the audiological assessment and for providing speech therapy.

Pure Tone Audiometer, Impedance Audiometer & BERA
