

NEHRU GRAM BHARATI

(Deemed to be University)

Central Instrumentation Facility

Research Centre, Shashi Campus

Introduction

Research Centre of the University is dedicated to quality research with special emphasis on socio-economic upliftment as per the National interest, considering the fact NGB(DU) has established Central Instrumentation Facility (CIF) with all the advanced amenities. CIF has dedicated lab for Cell Culture & Molecular Biology Lab comprises Laminar Hood, Phase Contrast Microscope, Refrigerated Centrifuge, UV-vis Spectrophotometer, ELISA Reader & Washer, PCR
